# Selecting Apps for Your Kindle Classroom

Apps will be selected by Grade Level Teams. Apps will be added once per nine weeks.

Devices are managed through the a program called Whispersync. Whisper sync allows teachers to select apps for their kindle device. To access the Kindle store on your device, just select Apps. Each students device comes with pre-installed apps selected by the teachers, coaches and administrators at Anderson Primary School.

## Evaluating Apps for Students

The app store is filled with many apps that you may think are wonderful for your students. In order to make sure that they are truly safe, the following measures should be considered before adding them to a students device.

**“Tell me and I will forget, Involve me and I will learn.”**
